Dear Parent/Carer,

Walk Online Roadshow for Parents / Carers

To help support our students accessing the internet, online gaming and social media safely at home we are writing to advise of a training event that is aimed at parents, carers and professionals.

The “Walk On Line” events open your eyes to the world our children and young people face. You will gain a greater understanding on what and how our children are using social media and the internet. All children from whatever background face the risks of exploitation. Lets reduce the risk for our children. The event will take you on a journey of “The Dark Web” and how to help your child stay safe. The events are being held on:-

3RD DECEMBER 2019

10am – 13.00 – Thurrock Adult Community College, Adult Education Centre, Richmond Road, Grays RM17 6DN

Or

24TH FEBRUARY 2020

18.30 – 21.00 – St Cleres School, Butts lane, Stanford-le-Hope, SS17 0NW

Should you wish to book on either of these free events complete an online booking form which can be located on the Thurrock LSCP website at www.thurrocklscp.org.uk.

Should you need any further assistance, please do not hesitate to contact me.

Yours sincerely
