

8th October 2019

Dear Parent/Carer,

I would like to take this opportunity to remind parents and carers who bring their children to school to kindly vacate the school premises promptly by 9am.

This is to ensure we meet our safeguarding commitments to your child.

The school car park gates are closed shortly after this time and students will have had morning registration.

Thank you for your continued support.

Yours sincerely

Mr J Brewer
Headteacher
