

6th September 2019

Dear (Parent Salutation)

I would like to take this opportunity to welcome you to Treetops School and College for the new school year and to introduce myself.

I have been teaching for 26 years. The last 10 years of my career I have had the privilege of being part of outstanding Senior Leadership Teams within both mainstream and special educational schools.

I am looking forward to the opportunity of working with the exceptional staff at Treetops and with you to help your child reach their full potential.

We are continuing to develop and use the Treetops App which is available free of charge. The app is an easy way for you to keep up to date on; learning opportunities, trips, events and what is happening throughout the year and it is regularly updated for you.

To download the app either to your phone or tablet simply search "Piota Schools" in the Apple or Android App Store and install it. When the Piota Schools app is downloaded, you will see a search box. Start to type 'Treetops school' and the name 'Treetops school' will appear below. Simply click it when it appears. The app will remember your choice and always load to our school. Our school website, www.treetopsschool.org is also an invaluable source of information.

Please can you ensure that we have all your most up to date information and that you have registered with our on-line payments system Sims-Pay. If you haven't already registered your account, please check your emails for your invitation code. If you have any issues in registering, please speak to a member of our admin team who will be more than willing to help.

I look forward to meeting you in person at our parents evening on 19th November 2019 and other events throughout the year.

If you have any questions, concerns or need clarification to help put your mind at ease, please don't hesitate to contact me.

Kind regards

Jon Brewer
Headteacher
