Dear Parent/Carer,

Treetops School Dinner Menu – January 2020

Upon feedback from students and staff and following a meeting with Thurrock Catering, we have looked at improving our school dinner menu.

The menu will now include some more varied choices and heartier options at this time of year whilst trying to maintain a healthy balance.

I attach a copy of the new menu which is effective from 8th January 2020, and return on week 1. A copy is also posted on the school website www.treetopsschool.org

Yours sincerely

Mr J Brewer
