

13TH March 2020

Dear Parent/Carer

Following the Prime Minister's address to the nation, I would like to inform you of the measures currently in place here at Treetops.

Firstly, I must make it clear that at present we have no confirmed cases of the Coronavirus within school and we are not closing at this moment in time. We are all aware that the situation is changeable and we will be following government advice and have plans in place should staff and pupils be unable to access the school building.

The Prime Minister announced yesterday that you should self-isolate for 7 days if you have either a new persistent cough or a high temperature. We would recommend that you follow this advice. Also, if your child has an underlying health condition, I will respect your decision if you do decide to keep your child at home.

As of next week we are limiting all but essential visitors to the school and all meetings where possible will be conducted after school hours. Areas of the school that are used for this purpose will be thoroughly cleaned after each use.

All staff and visitors to the school must use the hand sanitisers provided in reception upon arrival.

If we are advised to close the school and your child is sitting an external exam, teachers will provide work which can be completed at home.

I will keep you updated on any further developments that may occur

Yours sincerely

Mr J Brewer

Headteacher
