

17th March 2020

Dear Parent/Carer

COVID-19 LATEST UPDATE

The school will continue to operate until we are advised otherwise or, staff absences rise to such a level where student and staff safety may be compromised.

Following the announcements made on 16th March 2020, I would like to keep you updated with the measures in place here at Treetops.

- We are cancelling all non- essential visitors to the school.
- All after school clubs will be cancelled with effect from Wednesday 18th March.
- Breakfast club will continue to operate.
- Arrangements for school work to be sent home are in place. Please check your mailbox.
- If anyone in your household has a new persistent cough or a high temperature, your child should not attend school for 14 days. Please be assured that your child's absence will be authorised.

As you are aware, this is an ever changing situation and any further updates to the current government advice will be sent via email and will be available on our website www.treetopsschool.org

We respectfully request that you keep telephone calls to the school to an absolute minimum.

All letters are available to view under the **Parent Page**, "Correspondence" tab, on our website.

Yours sincerely

Mr J Brewer
