

27th April 2020

Dear Parent/Carer,

Firstly we hope you are well and coping during this extremely challenging time.

As you are aware school is currently only available to children of key workers during the period of lockdown, and we will continue to follow government guidelines in this respect.

With this in mind I just wanted to confirm school will be entirely shut on Friday 8th May, in relation to the planned bank holiday. This will allow our site team, cleaners, and general staff a well-deserved break.

Please keep safe and well.

Kind regards

Mr J Brewer
Headteacher
