

3rd April 2020

Dear Parent/Carer,

Thank you for keeping your child at home during this unprecedented time. I hope the resources staff have put together for you have helped. We will keep contacting you regularly through the app.

Mr Jones has put an end of term video together which is a great celebration of the learning opportunities and experiences students and staff have participated in.

We do have to keep following government guidelines and unfortunately it does appear that this approach will need to be followed after the Easter holiday.

Please keep safe and well.

Kind regards

Mr J Brewer
Headteacher
