

# Year 7

## CASTLES

**What do you know about castles?**  
**Well now is the opportunity to find out a bit more!**

### **Activities you could try:**

Why were castles built?  
How were castles built?  
What is a Motte and Bailey castle?  
What can we find out about the Tower of London?  
What is the nearest castle to Treetops school?

### **Make a model of a castle!**

It could be completely your own design or a model of a real castle or even the Disney Castle!

Some examples of castles others have made can be seen here >
