

11th June 2020

Dear Parent/Carer

Firstly I hope everyone is managing to stay well and keep safe.

As I am sure you will appreciate we are constantly reviewing the measures we take in line with Government guidance and carrying out risk assessments on school re-opening.

I wanted to take this opportunity to explain that whilst the Government are instructing mainstream schools to return specific year groups, as an SEN school we have instead looked at the specific needs of children and families, and are currently at full capacity. I do not anticipate this changing for the remainder of this term.

We will continue to liaise directly with families on a fortnightly basis through class tutors and provide school work on the various platforms. Regular liaison with families will also be maintained through the App, Treetops Facebook Page and Treetops Youtube Channel providing ongoing support to pupils and families. It has been comforting to see so many of you engage and I am proud by how well you are doing.

We will be fully closed over the summer holidays. We will be updating our website on a weekly basis to keep you informed on the current situation including what provision we will be able to offer in September in line with Government guidance.

In the meantime, if you have any questions or concerns please do not hesitate to contact us at [admin@treetops.thurrock.sch.uk](mailto:admin@treetops.thurrock.sch.uk)

Yours sincerely

Mr J Brewer  
Headteacher
