

3rd July 2020

Dear Parent/Carer,

Key Stage 4/5 Vocational Studies 2020/21

As you may be aware, our students in Key Stage 4 and 5 follow a Vocational Studies curriculum on Fridays throughout the academic year. Within this curriculum, students choose an option which they study all day every Friday for the duration of the year.

Next year, we will be running a range of vocational courses which afford the students the opportunity to develop a host of skills. The courses which we are looking to run next year will be:

- Construction
- Catering & Hospitality
- Gardening
- Hair & Beauty
- Motor Vehicle Maintenance
- Business Management
- Performing Arts

In order to choose which option your young person would like to participate in for the academic year, can you please email Mr T Smith (tsmith@treetops.thurrock.sch.uk) with your child's name and their top three preferred options in order. For example:

Joe Bloggs

1st choice – Hair & Beauty

2nd choice – Gardening

3rd choice – Motor Vehicles

It is very important that your child indicates at least three options which he/she would be interested in participating in, as we may not be able to place all students in their first choice options.

Should you have any questions regarding this, please contact either Mr T Smith, Mr Baitrum, or Mrs Meek.

Yours sincerely,

Mr T Smith

Key Stage 4 Leader

Mrs L Meek

Key Stage 5 Leader

Mr D Baitrum

Careers & Vocational Lead
