

18th September 2020

Dear Parent/Carer

Firstly, I would like to thank you for your support with sending your children back to school.

Given the challenging circumstances we are all facing at the present time, the transition back to school has been well received and it has been great to see our children back and for us to get on with the job we all love.

The school office is currently receiving a high number of calls from parents asking whether they should send their child into school if they are unwell. I have attached a helpful question and answer document and would ask that you take 5 minutes to read it through. I hope that this will help you to make the right decision before sending your child to school.

If you need urgent medical advice, please call the NHS 111 service or the NHS dedicated Coronavirus service on 119.

Yours sincerely

Mr J Brewer
