

15th October 2020

Dear Parent/Carer

Firstly, I would just like to thank you for all your comments of support in response to the very difficult decision to close the school this week. I have enjoyed seeing all your photos and comments on the app and FB page and am extremely proud at how well you have all coped.

As I mentioned this was a difficult decision, and I'd like to take this opportunity to update you of where we are now.

I am delighted to confirm we are ready to re-open on Monday 19th October, those staff members that tested positive are recovering well and will be ready to resume normal practice. The school has undergone a deep clean and I am satisfied this is Covid secure.

We have reviewed our risk assessment in guidance with Thurrock and England Public Health and have taken the steps to reduce bubble sizes in school. Furthermore, the use of masks will be introduced throughout the school in shared offices and we would ask that this request is extended to parents and carers when coming onto the school site.

Finally, just a reminder school closes on Thursday 22nd October for a two week half term and will resume on Monday 9th November. We will liaise this information with Passenger Transport on your behalf.

In the meantime, we all look forward to seeing all the pupils back together on Monday.

Stay safe and keep well.

Yours sincerely

Mr J Brewer
