

9th November 2020

Dear Parent/Carer

Firstly, I would like to welcome you and your child back to school for this second half of the autumn term. I hope you managed to enjoy the half term break. I would like to take this opportunity to advise you of the following:

Face Masks

You may have read in the press that new Government guidance states that children in year 7 and above are required to wear a face covering when moving around the school. Please be advised that this new guidance is not extended to SEN schools. However, our students can choose to wear one when moving around the school if they prefer.

School Photos

Individual school photos are going ahead tomorrow. Please send your child into school looking their very best.

Chill Out Club/Extra Curricular After School Clubs

Due to “bubble” restrictions, we are unable to offer any after school clubs for the foreseeable future. Breakfast club is available providing a booking has been made in advance via your Sims-Pay account.

Christmas Activities 2020

Usually at this time of year, the school is busy planning trips and events to celebrate the festive period. As you can appreciate, all school visits are postponed as are large gatherings such as Carols by Candlelight and FOTS Christmas Fayre. As with previous years, the staff will do their utmost to ensure that all of our students celebrate within their own classes. We sincerely hope that things will be back to normal next year.

In this ever changing climate, please ensure that you regularly check your emails and the school website for all the latest information.

Yours sincerely

Mr J Brewer
Headteacher
