

5th January 2021

Dear Parent/Carer

Following the Prime Minister's address to the nation last night, I would like to inform you of the situation here at Treetop.

As you will be aware, all schools and colleges are closed to students until at least February half term, except those where parents are key workers (as defined on www.gov.uk) or if the student is considered extremely vulnerable.

We have identified all of our students who fall into these categories and they have been invited to return to school on Wednesday 6th January. If you consider your child is eligible to return to school and you haven't received a call from us, please get in touch as soon as possible.

Our teaching staff are working hard to prepare homework packs and online learning. Some packs have been posted to those families who have requested them, others have access to virtual learning. If you need to contact your child's teacher, please email admin@treetops.thurrock.sch.uk.

Families entitled to free school meal vouchers from Edenred UK will continue to receive them during this latest lockdown period.

For our year 11 students, the exam season will not go ahead as planned. We will contact you later in the term with further updates as they are made public.

As you can appreciate, these are uncertain and worrying times. We must all play our part in beating this virus and hope that better times are ahead of us and life can return to normal soon.

Please stay safe.

Yours sincerely

Mr J Brewer

Headteacher
