

20th January 2021

Dear Parent/Carer

I hope you and your family are keeping safe and managing at home in these difficult times. I am sure many of you are overwhelmingly fatigued by the recent Government decision to enforce a 3rd National Lockdown and once again close schools and the implication this has on your family.

During this time, for those of you that have children home learning, we will continue to liaise with you through the app, website and via In Touch to support with work packs and school updates.

In addition, we will follow this up with a fortnightly welfare call, made by your child's class teacher. It is imperative that we make contact with you throughout this period and I must emphasise the necessity to take these calls or return a call to school, as we do care and want to support you as much as we possibly can.

Most importantly, however is for us to check in on how you are doing, and offer support where possible with any difficulties you may be encountering. You can liaise this to your child's class teacher during welfare calls or contact our Safeguarding Lead, Terri Carroll at school on 01375 372723 or e-mail terri@treetops.thurrock.sch.uk.

Please can you also note our inset day, planned for Monday 22nd February is cancelled, in order that we can continue to support you as much as possible throughout this arduous time.

Yours sincerely

Mr J Brewer
Headteacher
