

14<sup>th</sup> April 2021

Dear Parent/Carer

Firstly, it was lovely to see all of our students back yesterday morning, eager and ready to start the new summer term.

Over the Easter holidays, the construction of the new school has impacted on our car parking within the school grounds.

Parents and visitors to our school are not permitted to use the private access road from Stanford Road. This access is for construction traffic only.

In addition, the overflow car park on the right as you enter through the main school gates is now out of use as this is where the Free School is being built.

I appreciate that parking, dropping off and/or collecting your child from school is very difficult at the moment but please be assured that we are continuously looking at how we can improve the situation during this transition period.

Thank you for your patience.

Yours sincerely

Mr J Brewer  
Head Teacher
