

21st May 2021

Dear Parent/Carer

The Primary department are holding a cake sale on Thursday 27th & Friday 28th May to raise money for new playground toys and equipment.

The cakes will all be shop bought and all staff involved will follow current COVID guidance.

We will also ensure that we have a selection of gluten free items available.

All cakes will be priced between 50p and £1.00.

Please be aware that **we do not require any cakes to be sent in** as these are being purchased by the school.

Thank you for your continued support.

Yours sincerely

Mr J Brewer
