

12th July 2021

Dear Parent/Carer

Transition Days - 19th & 20th July 2021

I deeply regret that after great contemplation we are unable to proceed with the planned transition days on 19th and 20th July.

Our commitment is to safely remain open to our students and it would not be prudent to mix bubbles and risk that at this very late stage. As such on the 19th and 20th July your child will remain in their current class.

I trust you understand our position and we look forward to welcoming students into their new classes in September 21.

Yours sincerely

Mr J Brewer
