

16th July 2021

Dear Parent/Carer

Unfortunately, we have had to send 3 classes home today as there has been a positive case of COVID in school. The families of those children affected were notified this morning.

A driver with Thurrock Passenger Transport has also tested positive and again, those families have been notified.

With the increasing rise in infections, you have the choice to keep your child at home next **Monday & Tuesday**.

This absence will be recorded as an authorised absence.

If you decide **NOT** to send your child in, you will need to notify Thurrock Passenger Transport this afternoon on **01375 413883**.

Also, for safeguarding purposes, please phone the school attendance line on Monday to report your child absent.

This has been an extremely challenging year for all schools and to end the academic year like this is a huge disappointment for everyone.

Please be assured that our student and staff's safety is always at the heart of every decision made.

Yours sincerely

Mr J Brewer
