

24th January 2022

Dear Parent/Carer

SCHOOL MEAL PRICE INCREASE

As I'm sure most of you are aware food costs have increased significantly in recent months. As a school we have held our dinner prices static since April 2019 but unfortunately we now need to increase them. With effect from 21st February 2022, we are increasing the price of a school dinner as follows,

A school meal for a student in years 1-6 will increase to £2.50 (£12.50 per week)

A school meal for a student in years 7-11 will increase to £2.80 (£14.00 per week)

A school meal for a student in years 12-14 will increase to £3.00 (£15.00 per week)

Please ensure that your child's account on Sims Pay has sufficient funds available when booking a school lunch.

Children entitled to free school meals are not affected by these price increases

If you have any problems accessing your online account, please telephone the school office.

Yours sincerely

Jon Brewer
