

30th September 2022

Dear Parent/Carer

Parents often ask us how they can personally help to support the pupils in our school. With this in mind, we created an Amazon Wish List and asked our classes to choose resources which they would love to have.

We have recently added lots of new items to give parents, friends and families the opportunity to purchase items that can be used to enhance the resources used by our pupils in class.

Thank you for your help.

[Amazon Wish List](#)

Yours sincerely
