

23rd September 2022

Dear Parent/Carer

Students across the Treetops Learning Community have been celebrating Treetops Multi-cultural Week for 5 years and it has been shown to be a great success. Our students are developing their awareness of their own and other's beliefs and community and being more aware of the world around them.

This year we will be celebrating Multicultural Week between 10th-14th October.

The week will include activities and 'Focus days' for each key stage in which we will be asking students to celebrate their own and other cultures **by wearing cultural attire on Wednesday 12th October**. Some pupils will also be invited to wear their cultural clothing again for a whole school assembly showcasing the week.

As part of this celebration, we would like to offer the students the opportunity to taste foods from different countries and cultures. So that we can offer a variety of foods throughout the week we are requesting a donation of £1.00 from each child. If your child participated in this activity last year you will understand how beneficial it was for a large proportion of our children. The foods on offer take into account our pupils dietary needs.

Please send your £1.00 into school for your child's tutor before 1st of October.

Thank you for your support

Yours sincerely

Ms V Churchman and Mrs J Masheder
