

3rd October 2022

Dear Parent/Carer

We are delighted to be able to host our first “Parent Tea & Coffee” morning of the new academic year on Friday 14th October from 09.00 until 10.30 here at school.

For parents new to the school, this is an opportunity to meet with other parents of students within the VB department to talk and share experiences over a nice cup of tea or coffee.

At this initial tea & coffee morning we are also hoping to steal 5 minutes of your time to find out what subjects would be most beneficial for us to cover when we start workshops once again. We can cover anything that is needed, but to give some ideas, previously we have discussed: challenging behaviour, self-help, communication, puberty and reinforcement.

The meeting will be held in the Post 19 Café, the large wooden building on your left as you come in the main gates, staff will be outside to greet you on arrival. Following this, our sixth form students are hosting a Macmillan coffee morning where there will be cakes up for sale if you see anything that takes your fancy.

We are hoping to offer more of these parent engagement opportunities- further dates to follow.

We hope to see you there!

Yours sincerely

Mrs R Ritchie

VB Consultant
