

3rd November 2022

Dear Parent/Carer

We are delighted to advise that Treetops Learning Community have arranged E-Safety Training for MLD pupils from Year 5 to 14 on Monday 28th November.

The training on the day will be delivered by the “2 John’s” who you may have seen present at numerous key events in relation to the Online Child Sexual Exploitation of Children. They have completed interviews for BBC Breakfast TV, BBC Radio 4, Channel 4 TV and numerous other local radio stations and have presented in schools across the UK, and this will be our second time hosting them at Treetops.

Being online is an integral part of children and young people’s lives. Social media, online games, websites and apps can be accessed through mobile phones, computers, laptops and tablets – all of which form a part of children and young people’s online world.

The internet and online technology provides new opportunities for young people’s learning and growth, but it can also expose them to new types of risks.

E-safety forms a fundamental part of our safeguarding and child protection measures and the education of risks “Strange Danger online” is paramount in this process.

Should you have any questions regarding this event please do not hesitate to contact me, in the meantime please follow the link <https://esafetytraining.org/> to get further information from the “2 John’s Website” which also has some extremely useful parent resources.

Yours sincerely

Mrs T Carroll
