

24<sup>th</sup> January 2023

Dear Parent/Carer

Treetops Learning Community are pleased to be taking part in the NSPCC “Number Day” this year on **Friday 3<sup>rd</sup> February 2023**.

The NSPCC are the UK's leading children's charity and have been looking out for children for over 130 years. They are always there for children and young people whatever their problem or concern. To find out more about the work they do and to donate, please go to: <https://www.nspcc.org.uk/>

In school, pupils will be able to take part in some fun maths activities as well as thinking about how much maths there is in every day life. We are inviting all pupils to wear something 'mathematical' or with numbers on if they would like to.

We will also be launching our own TTRockstars and Numbots competition on this day. Pupils will have until the end of February to get as many correct answers as they can on either TTRockstars (times tables) or Numbots (counting, adding and subtracting). Let's see which class can do the most!

We hope you will support us in raising awareness of both the NSPCC and maths.

Yours sincerely

Mrs K Groom & Mrs C O'Connor
