Dear Parent/Carer

Pick Up Times across the Treetops Learning Community

As you are aware, school finishes at 3pm every day and the majority of our students are taken home by Thurrock Passenger Transport.

For those students who are collected by family and friends, this is a polite reminder that you shouldn't arrive earlier than 2.40 to the school car park. We have seen a marked increase recently in cars tailgating other cars onto the premises far earlier than is necessary for the home time pick up.

Now the ground works have been completed, there are plenty of car spaces to accommodate all visitors to our schools.

Please help us to keep all of our students safe by adhering to this respectful request.
