

5th May 2023

Dear Parent/Carer

Thurrock Council have informed all schools in the borough that the Free School Meal Supermarket Voucher Scheme is starting to wind down.

They have confirmed that they will be instructing schools not to issue supermarket vouchers for the May half term

There will be vouchers issued for the summer holidays, however, they have stated that there are no plans to issue vouchers next academic year.

If this changes, we will of course, let you know.

Yours sincerely
